

RAVEN SQUAD

INTRODUCTION

You are Dillon Smith, a mercenary from Raven Squad, the most powerful group of mercenaries of the world. One day, an evil army took over the world, but your squad doesn't work for free, so you did nothing.

But the army isn't going to leave loose ends, knowing that you and your mates are the only ones with skill and power enough to take them down, they have kidnaped your squad.

You were lucky enough to not be in the barracks when they came. But you won't let them get away with this.

Now you care, now it's personal.

LOADING THE GAME

To load the game:

- 1- Insert the tape
- 2- Type Run"
- 3- Press play on the tape control
- 4- Press Enter key

GAMEPLAY

Advance as far as possible into the enemy lines, destroying their forces. At the end of some missions, you will rescue some of your captured friends, they will give you an expanded magazine to help in your mission.

Be careful! some missions involve traveling from one place to another in a vehicle, in these missions you can't control your horizontal positioning, and you will have to dodge the obstacles in your way.

CONTROLS

Keyboard:

Left = O Right = P

Up = Q Down = A

Fire = Space

Turn on/off shot sounds = S

Turn on/off music = M

ABOUT THE SOUND

If you turn off the music, you won't have any shot sounds, also, if you turn on the shot sounds, the music will sound weird, as it uses the three audio channels, we recommend to play without shot effects and the music on.
