GOLD MAZE

RETROVYNZ 2023

AMSTRAD

GOLD MAZE

Three cards show the treasures to be collected.

The marbles represent the number of turns remaining before the treasure disappears.

Your treasure collection is displayed on the right.

At the end of the game, an analysis of your game is made, and the successes you have achieved increase your fortune.

GAME TURN

1. rotate the tile
  RIGHT to turn clockwise,
  LEFT to turn counterclockwise
  SPACE KEY or **FIRE** to validate

2. select maze entrance to push with the tile
  RIGHT to turn clockwise,
  LEFT to turn counterclockwise
  SPACE KEY or **FIRE** to validate

3. move the character through the maze to collect treasure

The tile you orient and push the maze with.

Your fortune (The faster you collect a treasure, the more money you earn.)

What you have to do.

FORTUNE 750$
