Heed not what is beyond understanding
x There is no exit until the seven words are said
Thor is the greatest son of Odin

As a guardian
He must work...
The first part
of his name
means rock
made of earth
Yet without soup
As living statue
He is whole

Beyond the Pie
before the slip
A passage north
will take a trip
And upward go
To evil's grip
Yet not an inch

Ybarra shield → Mystic? Armor YHCA
Magic mouth → Sorcerer Sight SOSI

Perseverance in all things.

The Spectre Snare
can catch a foe and
bind him lest his
spirit go

As the One God has
said, the third is
passion if you have
Love and Life

In all the Land
The fourth is and

LIE WITH PASSION AND
BE FOREVER DAMNED

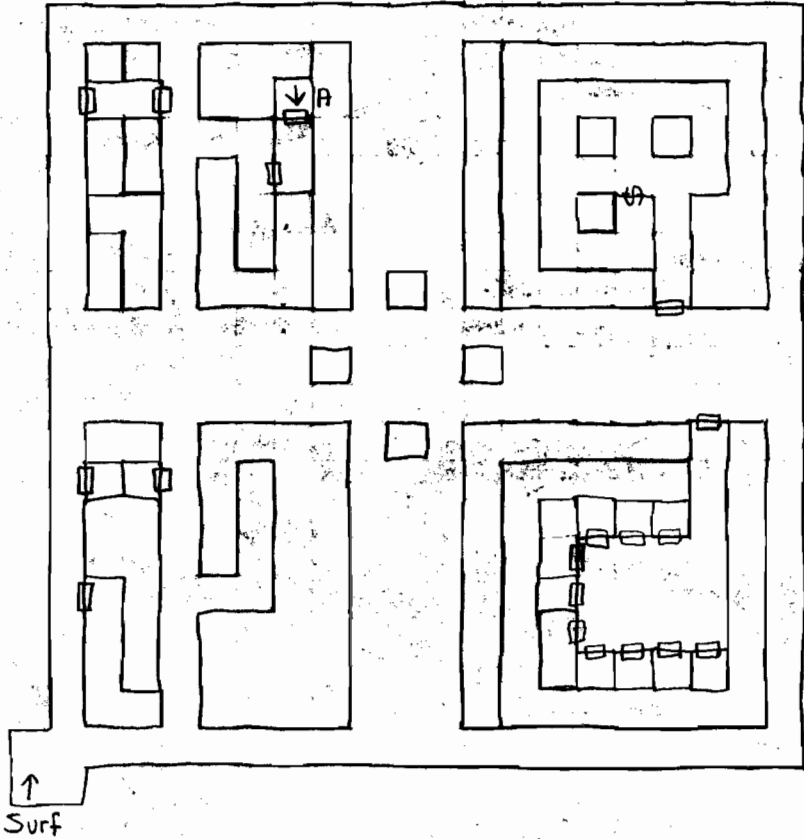

The One God's
second is surely with.

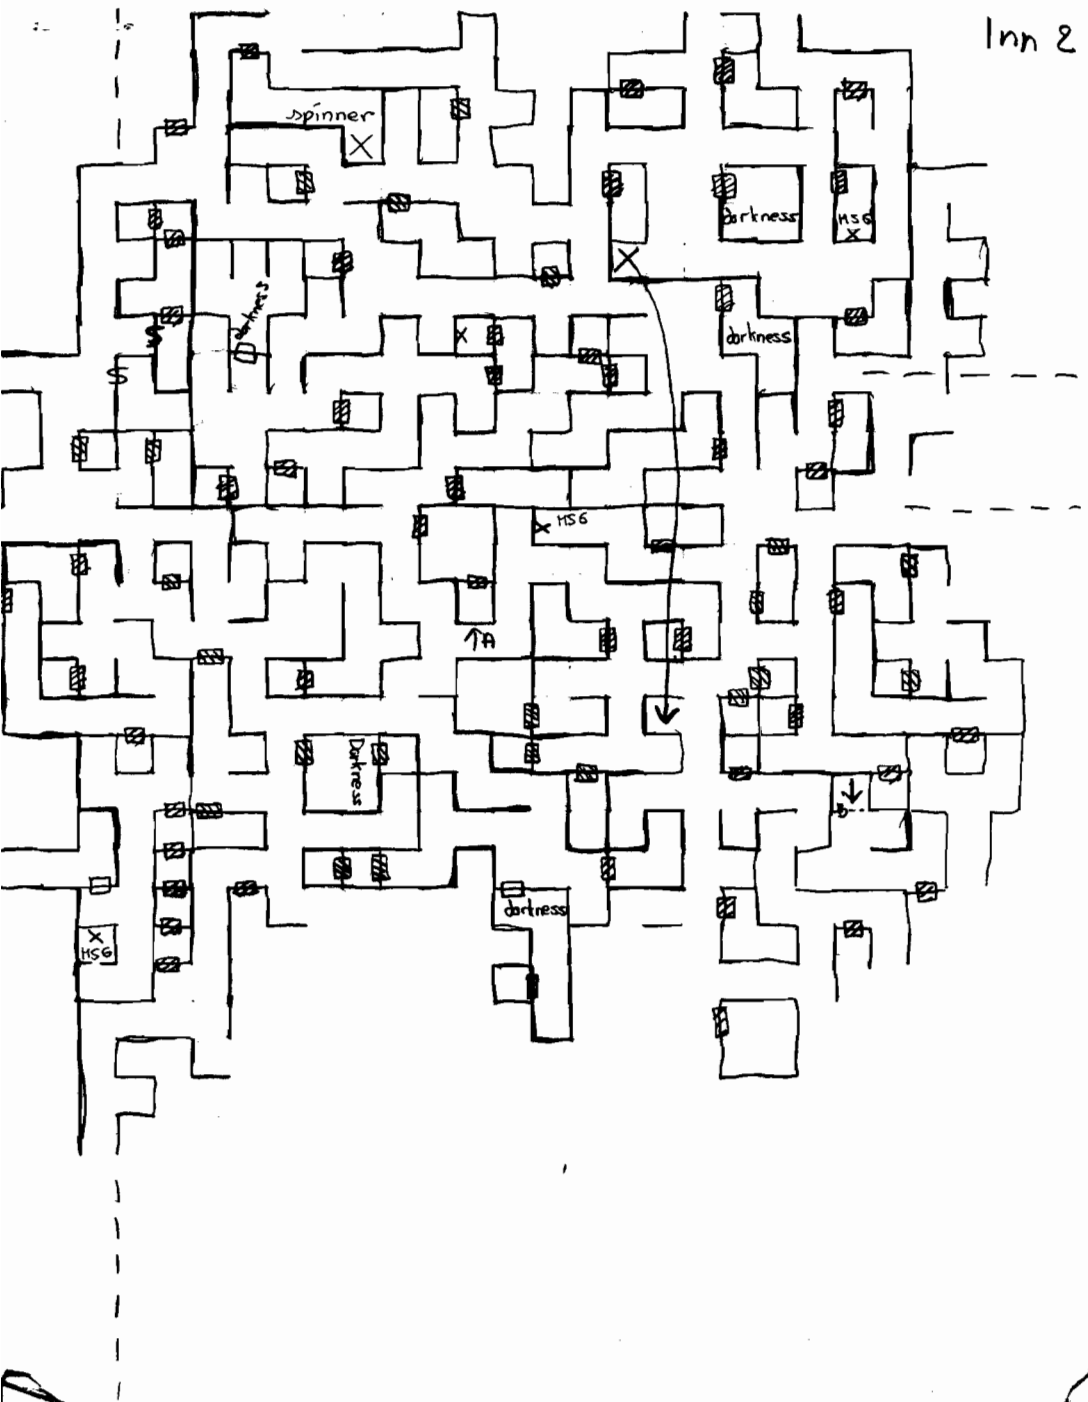

Do not say
the first is lie

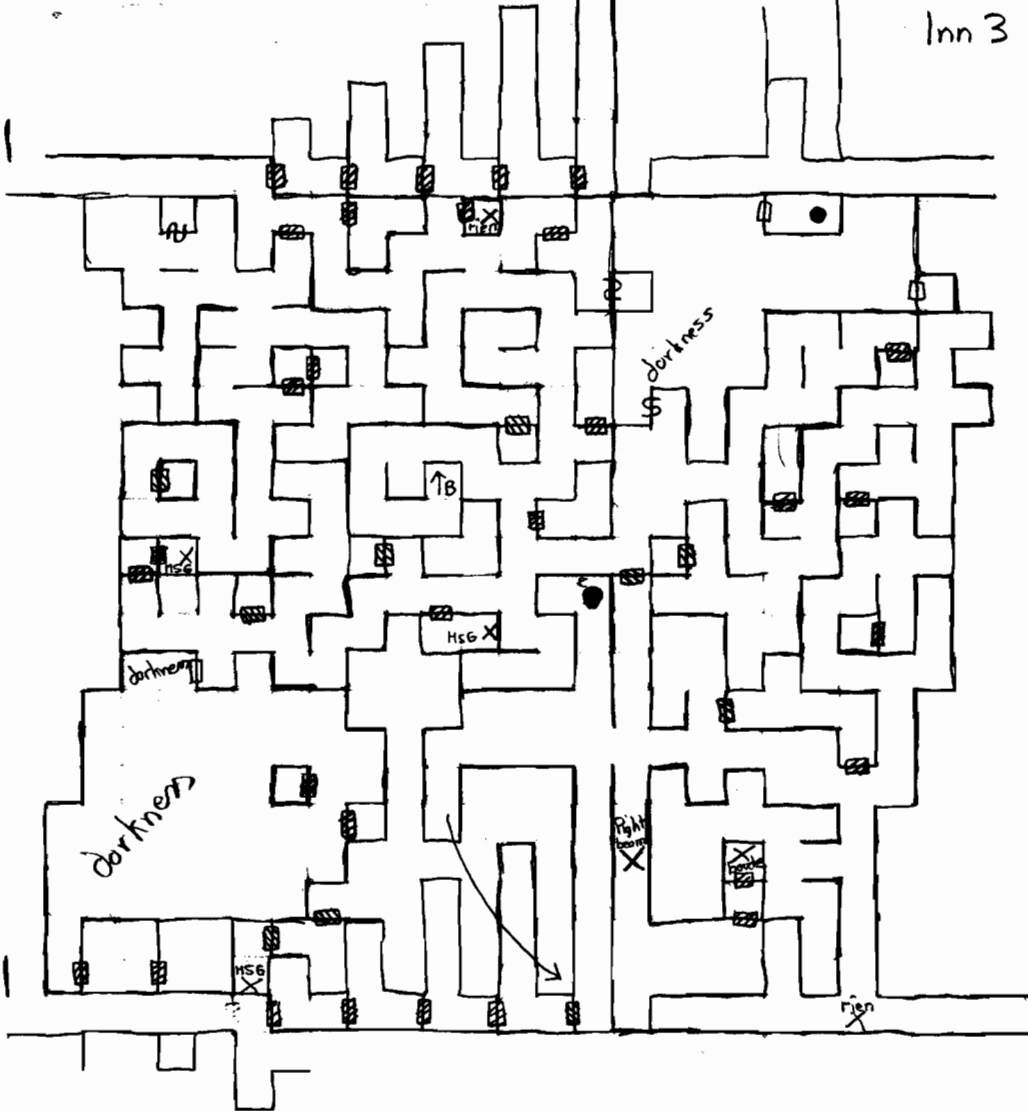

We speak of one god,
eternal is he, his fifth is
almost certainly be

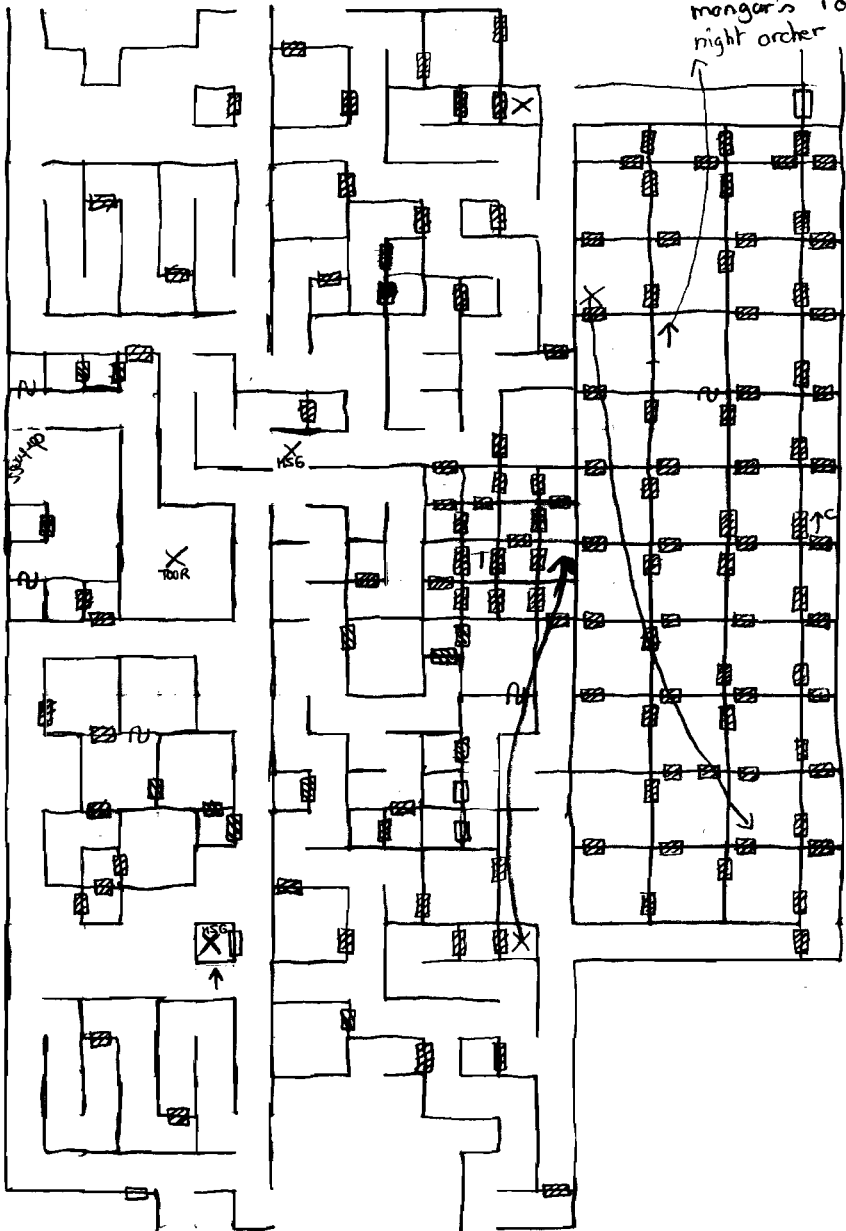

On the many levels,
several are ancient
but the sixth is
Forever

The One has said
that the first man
is blessed and the
last is damned
